

# ELITE

SPAS & LEISURE

Elite [Spas & Leisure](#) are southwest England's leading supplier of high quality American style Hot Tubs as well as Swim Spas and Saunas from Aspen Spas & QCA Spas. We also supply the necessary chemicals and equipment. We operate across two sites in Devon and Cornwall and offer a specialist Swimming Pool centre.

Elite Spas also offers outbuildings for all your needs, from Garden Offices and Summerhouses to Greenhouses and Sheds.

# **ASPEN HOT TUBS UK: XTREME RANGE**

Aspen Hot Tub UK – With 30 years in the hot tub business, Aspen have created an all-American range of luxury spas delivering the perfect partnership of invigorating massage and relaxation all combined with the Pure Clean Sanitation System, creating crystal clear water.

This makes Aspen Spas the ideal choice when choosing a luxury hot tub for spending time with family and friends or simply relaxing on your own, enjoying the soothing massaging jets and unrivalled therapeutic release.

Dynamic Spas – the next level in power, innovation and unsurpassed therapeutic massage. The Dynamic Range delivers the highest performance American made Hot Tubs combined with ease of use, energy efficiency, quality build and attention to detail, which make these the ultimate hydrotherapy choice for those who are looking for that little bit more.

Featuring full Chromatherapy LED lighting systems, Touchscreen Gecko Controls, powerful Volcano Jets, which create the ultimate invigorating massage for the feet and legs and in-stream Sound Systems as standard. All of which, help to deliver the ultimate experience in luxury, massage and relaxation.
